

MyHealth First Network Is Becoming

PRISMA HEALTHSM UPSTATE NETWORK

Effective January 1, 2019, MyHealth First Network will launch our service to BJU with a new name—Prisma Health Upstate Network. You will see the new network name on your new insurance cards and in other communications about the network before the end of the year.

In 2019, Prisma Health Upstate Network will continue to enhance our network, programs and services to better serve the employees and dependents of BJU Inc. and BJUEG. Prisma Health Upstate Network is honored to serve the BJU community and provide the best health care for you and your family!
