PHARMACY BENEFIT CHANGES TO EXCLUDED DRUG LIST

PAI is announcing an upcoming change to the PAI Excluded Drug List through Caremark.

As of October 1, 2016, we will be adding some drugs to our Excluded Drug List. **This means we will no longer cover them.**

Absorica	Cardizem CD	Locoid	Solodyn
Acanya	Cardizem LA	Locoid Lipo	Tiazac
Acnefree Kit Severe	Cerave	Lodrane D	Tussicaps
Aldara	Clindagel	Loprox	Vanos
Android-10	Cuprimine	Lotemax	Vaseretic
Aplenzin	Dermatop	Luzu	Vasotec
Ativan	Diuril	Minocin	Vitrase
Atopiclair	Edecrin	Noritate	Vosol HC
Atralin	Efudex	Nutraderm	Wellbutrin XL
Aurstat Kit Hydrogel	Fenoglide	Onexton	Xerese
Aurstat Anti-Itch Gel	Glumetza	Pedi-Whirl	Zegerid
Bensal Hp	Ionil Liq	Pepcid Retin-A	Ziana
Benzaclin	Jublia	Retin-A Micro	Zovirax
Benzamycin	Kinerase	Salex	Zyclara
Biafine	Lactinol HX	Salex Cream	
Carac	Librax	Salex Lotion	

These drugs were selected for the Excluded Drug List by our pharmacy committee because other safe, effective, less costly alternatives are available. The pharmacy committee is composed of independent doctors and pharmacists who continually review and compare prescription drugs to ensure that our covered drug list includes proven medications to treat the majority of medical conditions.

Member Communications: We will send a letter to members who will be impacted by these exclusions.
