

# Increasing Adherence

For every 100 prescriptions written:

**50 - 70**  
are filled  
at the pharmacy

**48 - 66**  
are picked up  
from the pharmacy

**25 - 30**

are taken properly

**5 - 20**

are refilled as prescribed

Fill, pick up, take and refill  
your medications as prescribed  
by your doctor!
