Proactive MD services treat the whole family

- Annual wellness visits
- Preventive care
- Onsite dispensing & medication refills
- Laboratory services
- Same-day sick appointments
- 30-minute appointments
- No wait times
- Minor office procedures
- And much more!

Experience the Proactive MD difference that prioritizes more time with your provider, constant communication, and robust care coordination. When members need specialty care or other services outside the scope of the Health Center, Proactive MD, will help guide patients through the complexities of the healthcare system and coordinate the continuum of care at the lowest possible cost to the patient.

Unlike a conventional group health insurance policy, this Level Funding program lowers your group health plan cost in recognition of the value of the membership-based Direct Primary Care services.
